Samuel Stennett, Christopher Miner

Order: C V I V2 C V3 C V4 C C
Guitar - Capo 1 (Actual key, Eb)

Verse 1
D         G         D
On Jordan's stormy banks I stand
D         A
And cast a wishful eye
D         G         D
To Canaan's fair and happy land
D         Asus         A         D
Where my possessions lie.

Verse 2
D         G         D
All o'er those wide extended plains
D         A
Shines one eternal day;
D         G         D
There God the Son forever reigns
D         Asus         A         D
And scatters night away.

Chorus
D         A
I am bound (I am bound), I am bound (I am bound)
G         A         D
I am bound for promised land,
D         A
I am bound (I am bound), I am bound (I am bound)
G         A         D
I am bound for promised land!

Verse 3
D         G         D
No chilling winds nor poisonous breath
D         A
Can reach that healthful shore
D         G         D
Where sickness, sorrow, pain and death
D         Asus         A         D
Are felt and feared no more.

Verse 4
D         G         D
When shall I reach that happy place,
D         A
And be forever blessed?
D         G         D
When shall I see my Father's face
D         Asus         A         D
And in His bosom rest?
